of

SHORTHORN CATTLE

*at the farm near*

## MILTON, ONTARIO

### WEDNESDAY, NOVEMBER 16, 1955

The two bulls pictured on the cover are left, Aberfeldy Spotlight, lot 1; right, Aberfeldy Smasher, lot 2. They are both sons of Burnton Everlasting.

These heifers all sell in the 1955 Aberfeldy sale. Left to right, Aberfeldy Orangeade, lot 18; Aberfeldy Queen of Rothes 2nd, lot 19; Aberfeldy Rosebud 7th, lot 17; and Aberfeldy Rothes Queen, Lot 20. All are sired by Crichton Drambuie.

## *Welcome Again to Aberfeldy*

The interest displayed in our annual sale offerings in the past has been most gratifying. It is only natural that your interest has had bearing upon our efforts to bring forward each year a stronger offering. I don't believe there is any question but that this is the best offering we have brought out.

We make an effort to visit as many of the herds that purchase from us as is possible. It has been a source of great satisfaction to see the way these cattle have produced in the hands of their new owners.

Reford Gardhouse

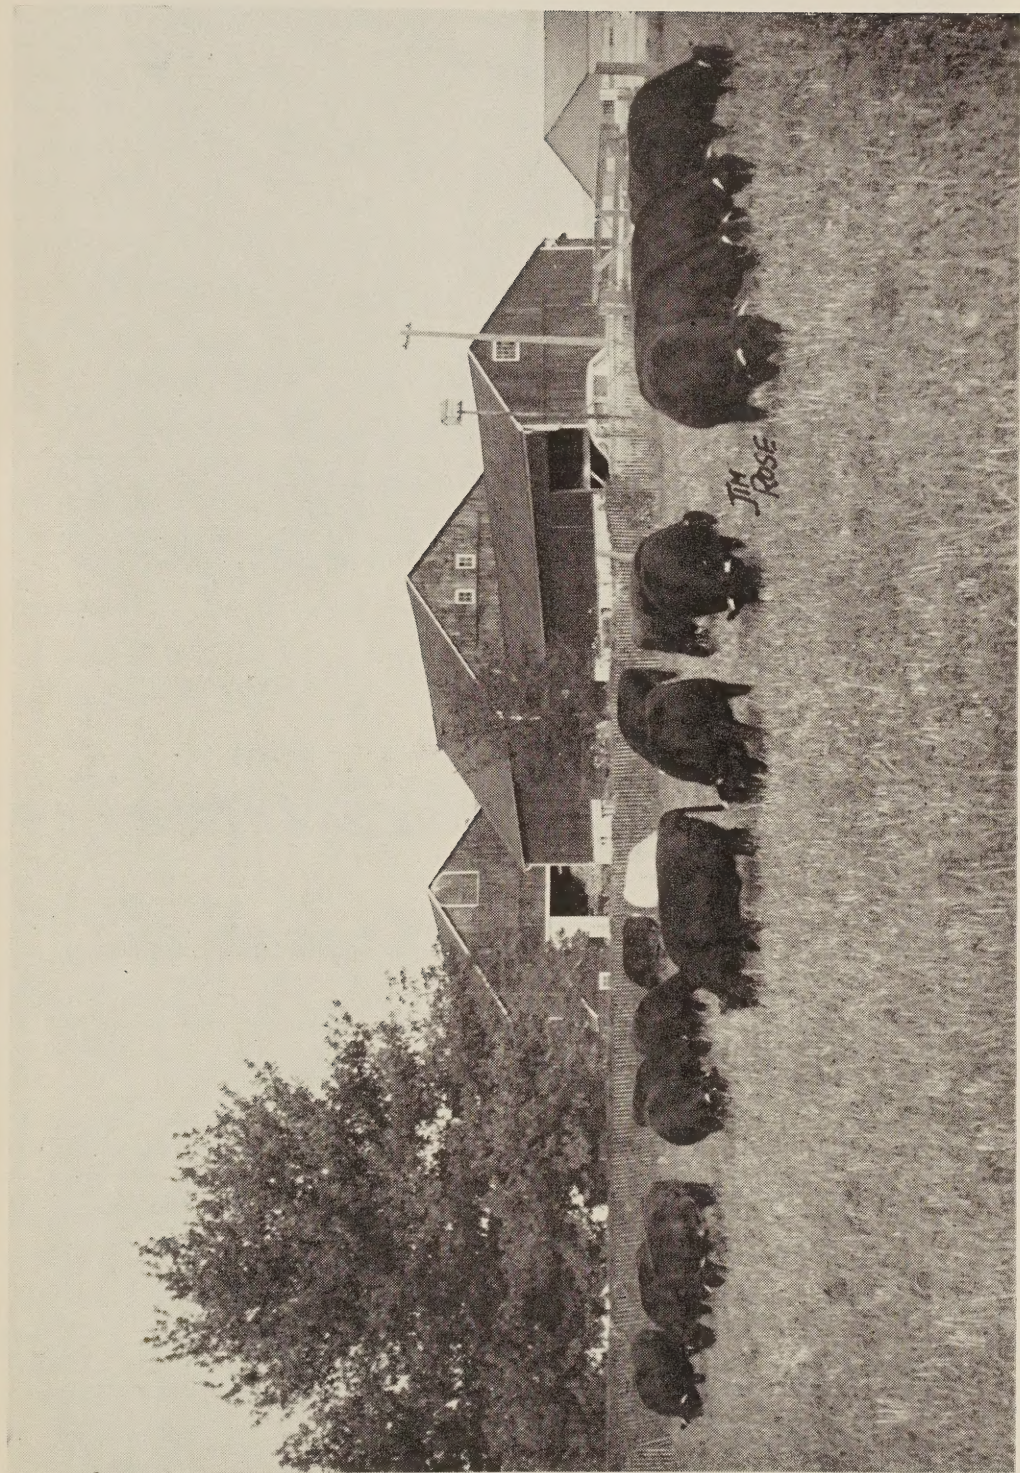

There are many imported animals in this sale. With one exception, they were all personally selected by me. I buy all of the imported cattle with the idea in mind that they are the kind and the breeding we would like to have in the Aberfeldy herd. Our confidence in them is displayed by frequent and successful use of the bulls, and our own herd has been built to a great degree through the retention of an occasional imported-in-dam heifer or an imported mother of the very animals we offer to you.

We invite all interested in Shorthorns to be with us on November 16 and hope the day will be most pleasant and profitable for you.

## CRICHTON DRAMBUIE

Left, Crichton Drambuie. Now dead. However, we still have yearlings and calves by him and they continue in the same, thick, good headed, meaty pattern. Calved in 1947 we went to the International with his first calves in 1950. One topped the sale at \$5,000, they were the first prize bull pair, the first junior get, and second senior get. From then on the record is well known. Each year we have been able to offer a splendid group of bulls and heifers by him and they are in the best herds in the North American continent. In this sale, four of his daughters will be sold.

## BURNTON EVERLASTING

In our 1953 sale Burnton Everlasting sold at the top price of \$6,000 and was purchased by Anthony Petkus, Lake Geneva, Wisconsin. His first two calves sold that year as eight month old heifers at \$1,750 and \$1,700.

If you were present at the 1953 sale, you will remember we stated we were using Burnton Everlasting liberally. You will see the result at our 1955 sale. Four of his sons and two daughters sell. It is difficult to select the best. We firmly believe this potent blood will breed on. Two of these bulls have been shown as a pair and defeated only once this season. Their individual records are set forth in the footnotes. A daughter, Aberfeldy Clipper Baroness completed our get by him, and they won the get-of-sire class in two of the three shows in which they were exhibited. She was also junior and reserve grand champion female at Brandon, and second at Ottawa, London and the C.N.E.

Left, Aberfeldy Spotlight, right, Aberfeldy Smasher. Both sons of Burnton Everlasting. They sell as lots 1 and 2.

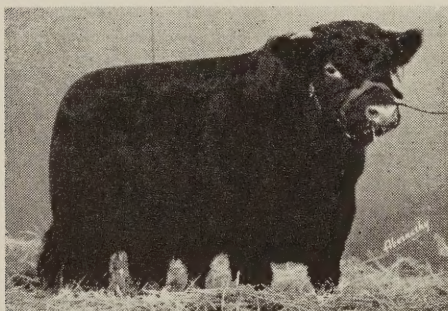

Chapelton Clansman

Chapelton Clansman sold in our 1954 sale to the Quinte Artificial Breeders' Unit for \$2500. He is a son of the 3000 gns. Cruggleton Balmoral and is out of Chapelton Clara, a great breeding cow by Cruggleton Perfect. We used Chapelton Clansman liberally prior to last year's sale and offer two excellent sons in this sale, lots 10 and 11.

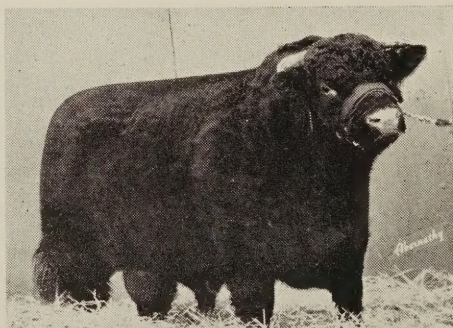

---

**BOTH BOUGHT ON ORDER IN OUR 1953 SALE.**  
**BOTH STOOD SECOND AT THE INTERNATIONAL**

---

Aberfeldy Radium, purchased for \$2100 in the 1953 sale by Wilbur Spring & Son, Belgrade, Montana. This son of Crichton Drambuie placed second in a class of 28 junior bull calves at the 1953 International two weeks after his purchase.

Aberfeldy Paymaster, purchased for \$1975 by Elmer Ester & Son., Carrier, Oklahoma, in the 1953 sale. This son of Crichton Drambuie placed second in a class of 23 junior yearlings at the 1953 International two weeks after his purchase.

Buying bulls on order requires careful judgement. In our 1953 sale, the sale manager purchased two bulls for breeders who could not attend the sale. These breeders had never seen the bulls prior to placing their order. In each instance, the bulls were purchased for less than the amount authorized. Both of these bulls went on to place second in large classes at the 1953 International two weeks later, defeating many bulls that had cost several times their price.

A few of the many from previous Aberfeldy sales . . . The Aberfeldy reputation has been earned through the

## Getting Your Cattle Home . . .

**East or West from the Winter Fair:** Our cattle will have all the papers necessary for immediate shipment and can be sent with pool shipments from the Royal Winter Fair. We will take them to Toronto free of charge and load them on box cars. This applies to cattle going anywhere.

**To the International:** We can combine purchases with other cattle going to the International Livestock Show in Chicago.

On cattle going to other points we will be glad to hold them until you can make the best shipping arrangements.

# General Information

**TIME AND PLACE:** Aberfeldy Farms, R.R. 5, Milton, Ontario, Wednesday, November 16th, 1954, at 10:30 a.m.

**TELEPHONE:** Farm phone Triangle 89742 (Toronto exchange). Telegraph office is Milton.

**HOTEL ACCOMMODATIONS:** We will be happy to arrange accommodations for you in Toronto if notified sufficiently in advance. Because of the Royal Winter Fair, it may be necessary to take care of last minute requests in motels, of which there are many of excellent quality. The King Edward Hotel, Toronto, will be sale headquarters.

**AUCTIONEERS:** C. D. Swaffer, Tulsa, Oklahoma. Jim McKinlay, Morpeth, Ontario.

**LIABILITY:** We will not be responsible for any accidents that may occur. Although we will make every effort to provide for the comfort of those attending, persons attend at their own risk. Neither the sale manager or the clerk assume any liability whatsoever. The sale manager was retained by the owner for the specific task of handling the advertising publicity, and preparing the catalog and has no connection with the handling of the cattle or the condition of the premises.

**MAIL BIDS:** Those unable to be present but who desire to take advantage of the buying opportunities in this sale may contact one of the following men, either at the address listed or at Aberfeldy Farms:

H. R. White, Secretary, Canadian Shorthorn Association, Gummer Bldg., Guelph, Ontario. E. H. Stoltz, Eastern Representative, Canadian Shorthorn Association, Aurora, Ontario. E. R. Henderson, Western Representative, Canadian Shorthorn Association, Saskatoon, Saskatchewan. Don Longley, The Shorthorn World, 16 South Locust Street, Aurora, Illinois, or any of the auctioneers. Last minute communications should be addressed to these men at the Royal York Hotel, or to them at Aberfeldy Farms.

**TRANSPORTATION TO SALE OF STARS:** We will provide transportation to Toronto after our sale for those not having their own cars.

**HEALTH:** The cattle offered in this sale are from a Federally accredited herd for TB. Aberfeldy females are officially calfhood vaccinated for Bangs. Most of the other heifers are vaccinated for Bangs, also. Any exceptions to this will be announced. Health and export certificates will be furnished.

**GUARANTEE:** All the cattle are sold under the standard guarantee. In addition, to the standard guarantee, we make the further guarantee that all cattle sold as individual lots, regardless of their age, are guaranteed to be breeders. Under the terms of the guarantee heifers not settled when 22 months must be reported at that time. Cows and heifers over three months gone in calf according to the service date furnished at the time of sale, that prove not to be in calf must be reported within three months of the sale date. Bulls proving not to be breeders or females not three months in calf at time of sale must be reported to the seller within six months of the sale date.

**TERMS:** All cattle must be paid for on sale day. Settlement is to be made with the clerk immediately following the sale.

**RECORDING FEES IN THE AMERICAN SHORTHORN BREEDERS' ASSN. HERD BOOK** (applicable only to animals sold for export to the U.S.)

Left to right, Moy Lucy Jilt, lot 28; Ban-chory Princess Royal 2nd, lot 26; and Orchard Rosebreeze 2d, lot 27.

Westdrums Lancaster Chief. Grand champion bull Canadian National Exhibition, 1952. Sold at private treaty by Aberfeldy to W. C. J. Marquardt, Jr., Bartlett, Texas, for \$15,000.

All animals selling carrying the prefix Aberfeldy can be recorded at the regular fee of ten dollars to transfer from the Canadian to American herd book. We already have or will record the dams in our breeding herd and the herd sires, Kair Ambition, Calrossie Forward March, Chapelon Clansman, Burn-ton Ever-lasting.

Most of the imported animals will be subject to the \$100 fee required by the American Shorthorn Breeders' Association and this must be paid by the purchaser. Some of the imported animals are subject to the new American fee of \$200, but all who require the \$200 fee will be drawn to your attention on sale day, and these fees also must be paid by the purchaser.

**BREEDING DATES:** We are very proud of the long breeding dates of our sale heifers. There may be changes and additions to dates listed in the catalog and these will be published sale day.

A group of the heifers that sold in the 1954 Aberfeldy sale.

It has been a real privilege for me to be connected so closely with the annual sales held at Aberfeldy. Of course, the name Aberfeldy goes back generations in the Shorthorn business, but the current sales were started by Reford Gardhouse in 1952. They represent a real accomplishment in consistency of quality. From beginning to end, the females are the kind breeders everywhere are seeking to establish powerful new families in their herds.

In 1952 the females averaged \$1356, in 1953 they averaged \$1152, in 1954 they averaged \$1229. In other words, it is another good example of the basic economic fact that those who produce top quality Shorthorns . . . the kind that everyone needs . . . are less subject to changing price trends, than are those that produce the ordinary kind that everyone else has at home.

When one considers that all but three of the females selling either have calves at foot or are well forward in calf to great stock bulls, and that the original outlay can almost immediately be divided by two, to say nothing of future production, the investment required to establish a foundation of a few of this superior kind is little more than the purchase of ordinary cattle.

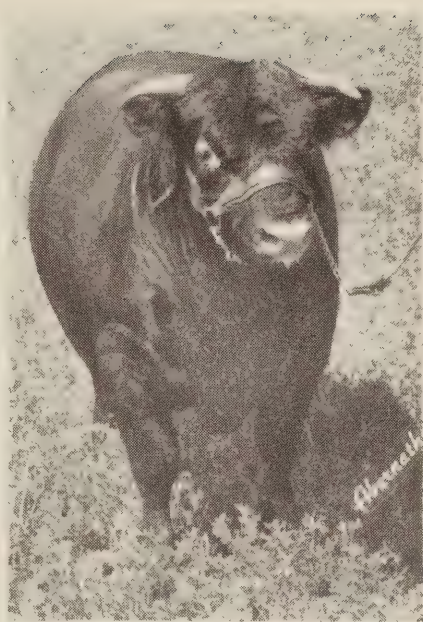

This is the finest offering Aberfeldy has yet brought out. Further, I think you will agree that in Calrossie Forward March and Kair Ambition, Reford Gardhouse has acquired two of the most promising young sires in the business.

An investment in an Aberfeldy heifer, well forward in calf, is a sound move towards reaching goals breeders everywhere are seeking. It goes without saying that those who purchase bulls at Aberfeldy will have outstanding bulls at the heads of their herds whose merit will immediately be recognized.

Kair Ambition (imp)—Purchased at Perth, 1954, for 1000 guineas. Arrived at the farm in very moderate flesh and has not been fitted, but kept for service in the herd. Has been used heavily. He has great bone and ruggedness with an excellent quarter and rear end. Calrossie Crocus Count: Sired the 1954 Perth Supreme Champion Burnton Bankbook selling at 7300 guineas and the 1954 Reserve Supreme Champion Burnton Rowan, selling at 5000 guineas. Calrossie Welcome: (see notes on Calrossie Forward March). Beaufort Bolido: Cost 4000 guineas at Perth where he was junior champion. He has sired champions at the International, Royal Winter Fair, as well as many outstanding animals in Scotland. Kair Countess Victoria: This is one of the best breeding families in the Anderson Bros. herds. Countess Victoria is also dam of Kair Victoria Rona purchased for the breeding herd at Glastullich.

Kair Ambition was senior champion at the Ottawa regional, 1955, senior and reserve grand champion of the Western Ontario Fair, London, 1955. Many of his first calves will be on display sale day. They stamp him as a great prospective sire.

**CALROSSIE OCEAN WAVE**  
Full brother to Calrossie Forward March.

### **Calrossie Forward March**

Calrossie Forward March is the latest addition to the Aberfeldy herd bull battery. He was just nine months old when purchased and arrived this spring in thin condition. Since his arrival he had done very well. He is a bull of great character and substance.

We have been successful in getting a large number of sale heifers settled to him and have great confidence in his ability as a sire.

We feel his pedigree needs little comment. His full brother is about as good a bull as you will ever lay eyes on.

Duncrahill Collaborator—He can head one of America's leading herds. Beaufort Broadstairs (sire, Cruggleton Pentland Firth; dam Augusta Fancy by Royal Favourite) is a red bull, full of character, and with an outstanding head. He was bought for 4100 guineas at Perth, 1952. Duncrahill Clara Miranda, a beautiful red cow, is now carrying her twelfth calf, and was the founder of this good family of Duncrahill Claras. Garguston Masterman is by Garguston Commodore, and out of Garguston Mabel 21st.

Morphie Enchanter—A better prospect will not be sold this year. Has run in the field until Oct. 1st, and will sell in moderate flesh. His excellent head, bone, substance and balance will always make him popular. With his pedigree background and individuality, this should make a great stock bull. Calrossie Crocus Count sired the Perth Champion and Reserve at the 1954 Perth show. The Champion Burnton Bankbook sold at 7300 guineas to Lord Lovat. The Reserve Champion Burnton Rowan sold at 5000 guineas to Argentina. Calrossie Welcome, the leading sire of the present day Morphie Commando, sired by Bapton Commando, proved a very successful sire in the Morphie Herd.

Morphie Count Commando—Count Commando & Morphie Enchanter have always puzzled visitors as to which one is the better. These two half brothers if highly fitted would rank with the best at Perth. Perhaps they are lacking in condition to sell to advantage, as they are just out of the field. Morphie Clipper Lady, a beautiful daughter of Bapton Commando goes into the breeding herd. Petty Clipper Queen (imp)—By one of the good sons of Welcome out of a Calrossie Randolph cow. How often can you buy a combination like this? A great heifer in her own right, that dropped the most promising calf we had last spring. Unfortunately it died when quite young with pneumonia. Bred April 29th to Kair Ambition (imp). Calrossie Welcome; A supreme champion himself, a few of his sons include the 10,000 guineas Calrossie Highland Piper; 8500 guineas Perth champion Calrossie Paramount; 7900 guineas Calrossie Armada; 7000 guineas Calrossie Ocean Wave; 6000 guineas Calrossie Prefect Perth Champion 1952. Calrossie Randolph rated as one of the top sires of all time. Many of the great bulls of the breed have Randolph mothers or grandmothers.

## Did You Notice the Long Service Dates?

Talk about long breeding dates . . . At this writing on October 1 five females had calves at foot, one was bred in February, five in March, four in April, three in May, four in June, two in July, and two in August.

The service of the two great young stock bulls at Aberfeldy is featured: Calrossie Forward March . . the full brother to the famous \$25,000 Calrossie Ocean Wave in service at Maclyn Plantation, Albany, Georgia, and used liberally at Calrossie; and Kair Ambition, a great son of Calrossie Crocus Count whose first calves leave no doubt that he will be one of the breed's great sires.
